## MSU Global Day of Service

April 13th, 2013  
All Day Event  
Anywhere

MSU Spartans work every day in communities around the globe to make life better.

The SPARTANS WILL. Global Day of Service, set for April 13, 2013, is our way of showing the world the extraordinary impact Spartans can make in a single day. This organized, collaborative effort will bring Spartans together to serve others in their communities while demonstrating the reach and power of the Spartan network.

How it Works:

MSU alumni clubs and groups and student organizations are now developing group service projects around the world. Beginning March 1, members of these organizations as well as individual service-minded Spartans—alumni, students, faculty, staff, and friends—can register to participate in an established student service group project or MSU Alumni Association group project or volunteer on their own on April 13.
