**"Assessment Tools and Resources: Student Learning and Program Design"**

Sponsored by: Center for Latin American and Caribbean Studies  
11:30 am - 1:00 pm, MSU Union Parlor Room A

An overseas learning environment can enrich the curricular content in many ways and MSU program leaders formulate goals that incorporate co-curricular and extra-curricular activities. This session is a call to

faculty program leaders and others interested in assessing student learning and program design. Presenters will focus on MSU and the national use of 3 key instruments: Global Perspectives Inventory (GPI), the Beliefs, Events, Values Inventory (BEVI), and the Intercultural Development Inventory (IDI). Concrete examples of research design will be shared and the benefits and challenges of each instrument discussed.
