GRANT OPPORTUNITY

USDA's National Institute of Food and Agriculture (NIFA) expects to release its request for applications (RFA) for the 2010 Agriculture and Food Research Initiative (AFRI) in February 2010 and will commit up to \$800 million in funding for new grants, contingent on annual appropriations in following years.

The five goals include:

1. Keep American agriculture competitive while ending world hunger
2. Improve nutrition and end child obesity
3. Improve food safety for all Americans
4. Secure America's energy future through renewable biofuels
5. Mitigate and adapt agriculture to variations in climate
